Malaysia Petroleum Club, Level 41, Tower 2, Petronas Twin Towers

Registration 12:00pm: Presentations Start at 12:20pm: Buffet Lunch 13:30pm

MPC Dress Code: Tropical business

Chaired by: **Neil Oakes**, Chairman SUT KL and Selangor

The Society of Underwater Technology (SUT) invites you to the next of our series of lunch and learn sessions for 2014. This session will combine with the branch annual general meeting and a networking opportunity.

SUT is a multi-disciplinary learned Society bringing together individuals and organizations from more than 40 countries that have a common interest in underwater technology, ocean science and offshore engineering. The SUT was founded in 1966 and includes engineers, scientists, other professionals, and students.

The SUT has established branches in Aberdeen, Houston, Rio de Janeiro, Perth and Melbourne. In recognition of the increased subsea activity in the South East Asian region a local committee was formed with the view to establishing a permanent presence of the SUT in Kuala Lumpur. We welcome you to enjoy lively presentations from our guest speakers on the subsea developments within our region.

12:20pm Welcome Address
