

Society for Underwater Technology

Society for Underwater Technology

Perth Branch

Annual General Meeting

Wednesday 13 November 2013

Hackett Hall Gallery

Western Australian Museum,
Perth Cultural Centre, James Street, Perth

Proudly sponsored by:

The Perth Branch of the Society for Underwater Technology takes great pleasure in inviting you to attend their
10th Annual General Meeting

5:30pm: Arrival Drinks

6:15pm: AGM

Followed by:

"Science, Commitment and Commemoration" – The Successful Search for HMAS Sydney II.

A presentation by Ted Graham AM, Honorary Associate of the Western Australian Museum and ex-Chairman of the now closed Finding Sydney Foundation and Professor Kim Kirsner, Fellow, Australian Academy of Social Science, former Director of the Foundation and co researcher in determining the location of HSK Kormoran which led to the finding of HMAS Sydney II in 2008.)

Kim and Teds presentation (in two parts) will cover all facets of the work of the Finding Sydney Foundation (FSF), including its inception, the science behind the research by Kim and his colleague John Dunn, fundraising, the search, the life and loss of HMAS Sydney, excerpts from the ABC documentary The Hunt for HMAS Sydney and from commemoration services post her discovery and a forensic recreation of the battle by the Defence Science Technology Organisation and also includes some underwater stills of the wreckage of both HMAS Sydney and HSK Kormoran.

7.30pm: Drinks and Finger Food

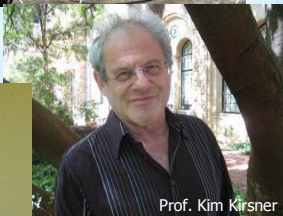

9.00pm: Evening End

Dress Code: Smart Casual

For location details please go to www.museum.wa.gov.au
