Young Engineers & Scientists (YES!) Further Development

The Melbourne Hotel
5.30 pm – 8.00 pm
Thursday, 27 March 2014

Chaired by YES! Committee Members:
Ibrahim Ayoub, Wood Group Kenny & John Bills, GE Oil & Gas

The Subsea Engineering industry is still at its inception with a huge variety of roles to be played. Our presenters will offer guidance on various ways to develop your career and excel in the Subsea world. Come and listen to their seasoned perspectives on what is required of an Engineer and the difference between a profession and a vocation as it applies to the Subsea industry. A unique perspective on the value of chartership in Subsea Engineering will be presented along with opportunities for further education. A friendly and open atmosphere, perfect for networking, will follow presentations to allow you to extend your vision across the industry, make useful contacts and have a good time.

Programme:

5.30 pm: Registration and drinks

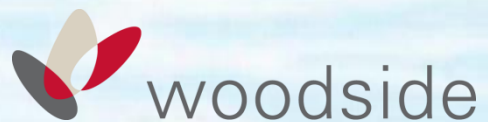

6.00 pm: Presentations:

- Ian Wilson, Woodside
- David Scholtz, Wood Group Kenny
- David Parks, Curtin University

7.00 pm: Networking with drinks and snacks
