

Perth Branch

Young Engineers & Scientists (YES!) Kick Off Event

The Melbourne Hotel

5.30 pm – 7.30 pm
Thursday, 8 August 2013

****Meet other young engineers and scientists while enjoying free drinks and nibbles!****

The Perth Branch of the SUT would like to announce the exciting formation of their new sub-committee (SUT YES!) which has been formed specifically to accommodate engineers and scientists who typically have less than 5 years experience in the subsea industry, as well as students nearing the completion of their degrees.

SUT YES! aims to:

- Increase the involvement and engagement of young engineers and scientists in existing SUT events; and
- Implement additional events tailored to the interests of young engineers and scientists while offering invaluable networking opportunities.

Proudly supported by:

This is a SUT members only event.

REGISTRATION prior to Tuesday, 6 August is FREE (\$10 from 7 August or on the night). Please RSVP by emailing Corelle (perthevents@sut.org) with your name, position, organisation and year of graduation

For further information please contact Jennifer Maninin at j.maninin@sut.org or on 0413 752 347
