

# SUT YES! Under Pressure: Quiz Night 2017

## Report on YES! Event

Rosie O'Grady's Pub, Thursday 7<sup>th</sup> September 2017

Ray Maujean, SUT YES! Committee Member

On Thursday 7<sup>th</sup> September, 110 young engineers and scientists descended to Rosie O'Grady's for the annual SUT YES! Quiz Night. The night was hard fought with 11 tables competed over 7 rounds to gain the title of 2017 YES! Quizmasters.

Questions ranged from a wide field of disciplines including science, art, sports, music, current events and of course, underwater technology! Intermission games such as the quiz night classic "Heads or Tails" and "Which Came First?" were held between rounds, with prizes awarded to game winners and tables that scored the most on each round. Our winners for the overall night were 'Woodside Table #2', who managed to edge ahead of the runner-up table 'Fugro AG' by a mere 2 points; Congratulations on their hard earned victory!

A big thank you goes out to our brilliant MC, Ross Hendricks, and to all SUT committee members involved in running the night. In addition, we'd like to thank our sponsors for their support in the evening, without of which the event couldn't have been possible:

- Woodside Energy Ltd. (Annual YES! Sponsor)
- Atteris Energy Ltd
- The Aquarium of WA (AQWA)
- The Western Australian Maritime Museum
- Scitech Centre of Science and Innovation
- Rosie O'Grady's Northbridge

We hope everyone who attended had as much fun as we did hosting it and look forward to seeing you all again at next year's event!

*Attendees gather, unsuspecting of the fun times ahead of them*

*Woodside Table #2, winners of the 2017 SUT YES! Quiz Night*
