

SUT YES! Deep Blue Quiz Night

Report on YES! Event

Rosie O'Grady's, Northbridge, 10th November 2016

Linden Blair, SUT YES! Committee Member

On the 10th of November, a group of almost 100 engineers, scientists, colleagues and friends joined the YES! Community at Rosie O'Grady's pub in Northbridge for an evening of socialising and networking over 7 rounds of questions and puzzles.

The evening, hosted by SUT luminary Ray Farrier as MC, pitted teams against each other to demonstrate their prowess in fields of:

- General Knowledge
- Music
- Geography
- Pop Culture
- Subsea
- Sport
- Science

During the intermissions attendees played games of “Heads or Tails” and “Which is Heavier” for a chance to win our wonderful prizes. At the end of the night, experience prevailed and the SUT Committee table emerged victorious over the challengers taking home the inaugural SUT YES! Quiz Trophy.

Thanks to event sponsors Rosen, and prize donors Rosie O'Grady's, Scitech, 645 Imaging and members of the SUT community. Look out for a similar event in 2017!
