

# SUT Perth Branch Information

## What is the SUT?

The Society for Underwater Technology (SUT) is a not-for-profit, multi-disciplinary learned society founded in 1966, that brings together organisations and individuals with a common interest in underwater technology, ocean science and offshore engineering.

The SUT considers all aspects of technology applied to:

- Diving and manned submersibles
- Environmental forces
- Marine policy
- Marine renewable energies
- Ocean resources
- Offshore site investigation and geotechnics
- Subsea engineering and operations
- Underwater robotics
- Underwater science
- Underwater vehicles

## Perth Branch Membership

*Individual membership is only \$165/year  
Corporate membership available from \$1,650/year  
Academic/not-for-profit membership is \$825/year  
Info on other categories available separately*

### **Benefits:**

- Membership is exclusive to underwater professionals
- Forum for networking and communication between members through branch membership, events and specialist groups, e-magazines and website
- Discounted rates for SUT events including all courses and conferences, both locally and internationally
- Access to membership contacts through online directory
- Entitlement to stand for Local Committee and vote for Local Committee & Global Council
- Email outs on upcoming local events

### Corporate Members:

2H Offshore Engineering  
A60N
