

Society for Underwater Technology

SUT Perth Branch Student Membership

What is the Society for Underwater Technology?

SUT is a multidisciplinary learned society which brings together organisations and individuals with a common interest in underwater technology, ocean sciences and offshore engineering.

Some of the benefits of membership

- Provides a forum for networking and communication between members through branch membership, events and specialist groups.
- Events such as conferences, seminars, eventing meetings, training courses, forums for discussion and technical visits.
- Technical publications.

Student Member

Student membership offers all benefits except voting rights and receipt of the Annual Report, Yearbook and Diary. Applicants should:

- be aged over 18 years, and
- be intending to be engaged in the field of underwater technology or in a field of engineering, industry, science or teaching connected directly or indirectly with underwater technology, and
- not in full time employment; and
- be able to provide current student ID.
