

2025 SUT-PERTH SCHOLARSHIPS

If you are studying and passionate about the underwater world then the **SUT could help fulfill your ambitions.**

You must be studying full time and either in the final two years of undergraduate studies or engaged in post-graduate study in Semester 1 (2026) at an Australian tertiary institution in Australia.

SUT EXCELLENCE **SCHOLARSHIP** \$5000

This scholarship is awarded to an outstanding candidate in the field of Subsea Engineering, Marine Science, and Underwater Technology. This scholarship is funded by SUT Perth Branch.

DIGITAL AUTOMATION IN ENGINEERING **SCHOLARSHIP** \$5000

This scholarship is awarded to an applicant who has shown initiative during their studies, by applying programming skills to complement, automate and improve their subsea analysis and design work, and aspires to work in the subsea industry. This scholarship is funded by:

≫ SEA Global

MARINE RENEWABLE **ENERGY SCHOLARSHIP** \$5000

This scholarship is awarded to the applicant with the most potential to make a significant contribution to the development of marine renewable energy through their studies, research or career ambitions.

This scholarship is funded by:

CHRIS LAWLOR SCHOLARSHIP \$2500

This scholarship will be awarded to the most outstanding winner among all three scholarships.

Applications open: 25 JUNE 2025

Applications close: 13 AUGUST 2025

Ruba Zaheer 2024 Chris Lawlor Scholarship & 2024 Digital Automation in **Engineering Scholarship Winner**

"This scholarship will significantly help me pursue my academic and professional goals and it is truly a privilege to be recognized for my efforts."

Jurgen Valckenaere 2024 SUT Excellence Scholarship

"Thank you... it is really appreciated it presents a great acknowledgement and recognition of my work and everything I've been doing... I'm very into autonomous technology and I can't wait to do the SUT Course on that"

Brvan Tan 2024 Marine Renewable Energy **Scholarship Winner**

"This scholarship will give me the opportunity to enhance my PhD... very few students get to see their research flourish so this is truly a once in a lifetime opportunity for me"
