

Industry Mentoring Program 2019 Wrap Up

- **Eight industry societies**
- More than **50** mentors; **80** mentees
- **8 events**: focus on networking, communication and leadership skills

“My mentor (small business owner) really helped me to strategically improve my company (analogous small business). My mentee helped me see things from a new perspective which I found beneficial too.”

“...connecting with the younger generations and helping them”

“Networking & getting advice about career development from more senior colleagues.”

2020 Program Intake Opening Soon!
