Please join the ECOSIGG - Early Career Offshore Site Investigation, Geosciences and Geotechnics group of the SUT for an evening of talks on the topic of Installation challenges for offshore foundations, cables and pipelines.

Speakers include:

Brian Mackenzie – Fugro
Dr Indrasenan Thushyanthan – Atkins
Lewis Jones – SSE

Contact ecosigg@sut.org for more information.

The background of the lower half of the poster is a photograph of several offshore oil rigs silhouetted against a bright orange and yellow sunset sky. The rigs are reflected in the dark water in the foreground.
