If you're new to the industry, just starting your career, a recent graduate, or a student, then SUT+ is for you! The SUT+ is designed to help you kick start your network of contacts in the marine industry and explore the various activities that take place in this sector. This network focuses on the London and South East region of the UK, so if you live or work in that region, we'd love to welcome you to our community.

This event will focus on what your role as an SUT+ ambassador entails, what you can achieve through the role, and the level of involvement that is expected of you. You will be supported by the existing committee members to plan a calendar of events for the next year. To become an SUT+ ambassador, you must be (or willing to become) a member of the SUT with affiliation to the LSE SUT branch.

Contact [sutpluslondon@gmail.com](mailto:sutpluslondon@gmail.com) for more information.
