

# Subsea Awareness Course

**An essential 5 day course  
designed & delivered by industry experts**

**Monday 1 Sept - Friday 5 Sept 2025**

Cliftons, Parmelia House, 191 St Georges Terrace, Perth WA 6000

**Subsea Engineering deals with the design, construction, installation, operation, maintenance and decommissioning of equipment in the ocean or on the seabed.**

This is an essential course providing a greater understanding of the subsea environment. Upon completion of the course our expert presenters will have covered the following topics:

- ▶ Introduction to Subsea
- ▶ The Seabed
- ▶ Flow Assurance
- ▶ Wellheads & Trees
- ▶ Inspection, Maintenance & Repair
- ▶ Umbilicals
- ▶ Control Systems & Control Fluids
- ▶ Risk, Reliability & Availability
- ▶ Pipelines & Risers
- ▶ Subsea Processing
- ▶ Installation
- ▶ Case Study

## **WHY WILL THIS COURSE BENEFIT YOU?**

The Subsea Awareness Course is aimed at those who need to have a greater understanding of subsea and how this impacts the effectiveness of their work.

Whilst most of the course will be presented in a classroom environment, the sessions will be interactive, with the opportunity to ask questions and discuss what has been learnt. In particular, hands-on and visual components have been included wherever possible to enable delegates to view software models and products destined for subsea service.

The course also hosts two site visits, taking delegates out of the classroom and into the real life subsea industry plus a networking event.

## **WHO SHOULD ATTEND?**

Contractors, engineers, operators and those new to subsea, those transferring from other disciplines within the industry and those who have worked in subsea previously but would benefit from a refresher course and exposure to the latest technology.

COURSE SCHEDULE

DAY 1 MONDAY 1 SEPT 2025

07.45 Registration

08.00 Welcome & Introductions

08.15 Shell Video

08.45 Introduction to Subsea TBC

10.15 Morning Tea

10.30 The Seabed Laith Tapper, NGI

12.00 Lunch break

13.00 Flow Assurance Jeff Zhang, Wood.

14.30 Afternoon Tea

14.45 Flow Assurance continue

16.45 Day 1 Finish

17.00 Networking @ Samuels on Mill (Hilton)

DAY 2 TUESDAY 2 SEPT 2025

08.30 Wellheads & Trees TBC

09.45 Morning Tea

10.00 Wellheads & Trees continued

11.30 Lunch break

12.30 Wellheads & Trees continued

14.00 Afternoon Tea
